Charming Century-Old Home with Endless Potential. Step into history with this character-filled, 1300 plus sq ft home that has stood the test of time- and is ready for its next chapter. Featuring two bedrooms, a first-floor bathroom, and a finished third-floor flex space perfect for a third bedroom, home office, or creative studio, this home offers unique possibilities for the visionary buyer. Nestled on a cozy, fenced-in yard, the property also includes a rare oversized detached garage-ideal for storage, a workshop, or future conversion. The home's bones are strong, with a usable basement that was once a secondary living space and could be transformed again to suit your needs. Though it needs some updates, this home is brimming with potential for those who love the charm of older homes and aren't afraid to put in a little work to make it their own. A coal furnace heats the home, providing a nod to its historical roots while offering the opportunity to modernize to your preference. With thoughtful renovations, this home could beautifully blend its rich past with modern style. A true diamond in the rough-bring your vision and make it shine.
